

Smart Estate Planning Made Simple

Don't leave important decisions about you and your family to the State!

Without an estate plan, your estate could be subject to probate, an expensive, time consuming and public court proceeding. Typically, an estate plan is expensive, requiring multiple appointments with an attorney. Often plans are overly complex and confusing.

Estate planning with Estate Guru changes everything!

Our state of the art software, along with our nationwide network of estate planning attorney's, allow you to protect your family with a quality, customizable estate plan at an affordable price.

Why choose Estate Guru?

Create
